

Come join your colleagues and friends for this **Lunch & Learn** at the Anvil Centre in New Westminster.

SPECIAL GUEST: Ian Smedley, Strategic Planning, Vancouver Airport Authority

The Vancouver Airport Authority (VAA) is a community-based, not-for-profit organization that manages Vancouver International Airport (YVR), Canada's 2nd busiest airport. In 2015 YVR was voted Best Airport in North America for the sixth consecutive year and Best Airport in the World for its size category of 10-20 million passengers.

The VAA is developing a new 20 year Master Plan for land use planning at YVR. The updated Strategic and Land Use Plan sets an ambitious goal of serving 25 million passengers by 2020, within a vision that sees YVR as a world class, sustainable gateway between Asia and the Americas.

Ian will present the Master Plan Process and Associated Land Issues

YVR connects and strengthens communities in the region and plays a role in growing the economy in part with new and future economic development on Sea Island.
