The Smile Cycle Tour will be a great tour through Kelowna.

Here's where you will go:

1. The downtown waterfront – Stuart Park/Kerry Park/City Park/proposed hotel/new tourism building.
2. Bernard Avenue revitalization.
3. An approved tower project the City has been involved in.
4. A second twin-tower project that is under construction.
5. A micro-brewery to end it off in a historical site.

This tour will be guided by a city staff that can speak to all of the areas that you will be seeing. The tour is two hours long. We ask that you please bring water and comfortable clothes, and of course warm clothes and rain gear if it is cool and raining. We are hopeful that the sun will be shining brightly.

You will return to the hotel by 5:30 p.m. with plenty of time to get ready for the reception.

***PLEASE NOTE THIS TOUR IS LIMITED TO 15 PEOPLE.**

REGISTRATION IS AVAILABLE ON A FIRST-COME, FIRST-SERVED BASIS.
